

North Branch Nursery Policies 2023

Pricing:

Wholesale customers must apply and meet the requirements to receive Wholesale pricing. Price and availability of all stock offered in this list are subject to change without notice. Prices at time of ordering will prevail. Although all care is given when making this price list, occasional errors are made; we reserve the right to correct any such errors.

Custom Tagged Orders: We request you call our office to schedule an appointment if you wish to personally tag plant material in our fields. A 10% tagging fee will be added to these orders. If your customer wishes to choose their own plant material, you must accompany them to the nursery. If any sales associate assists your customer in the selection of plants to be paid for by you, a 10% tagging fee will be added to your order.

Purchasing through our Retail Garden Center: Purchases and pick-ups made outside of wholesale business hours in our Retail Garden Center will be at Retail pricing. No adjustments or credit will be given, and materials must be paid for at time of purchase. Please see business hours as they change throughout the year. NBN does not allow your customers to make purchases on your account without you present. If you are not present, your customers are welcome to pay Retail pricing and have you pick up their purchased material.

NSDL:

Wholesale customers should possess a Nursery Stock Dealer's License (NSDL) through their respective state.

Ordering:

There is no minimum order dollar or quantity amount. For order pickups, please call, email, or fax in advance at least 24 hours prior to pick up for available items (48 hours for larger orders, please). New customers and customers without credit terms may be required to pay a 25% non-refundable down payment on dig orders.

NBN is not responsible for lost or stolen credit card information given through unsecure channels. NBN reserves the right to withhold, change, or cancel credit terms for cause.

Shopping the Sales Yard:

You are welcome to shop the sales yard during wholesale hours. You must **check in** to the Wholesale Office before shopping the sales yard. For larger quantities, please notify a Wholesale Sales associate or call ahead.

The tagging of specialty and above ground items for later pickup is permitted during Wholesale hours. You must check in to the office and pick up a tagging form and ribbon. You must keep track of which items are tagged so the items are placed on your Sales Order. Failure to check in before tagging or an incomplete list may result in items being untagged. No tagging in the container sales yard or perennial houses is permitted.

Warranty, Returns, and Exchanges:

North Branch warrants that all plants sold are in good, healthy condition and true to name. However, we do not warrant the plants to grow, nor do we warrant specific results. There are causes for failure beyond our control such as watering practices, soil conditions, weather conditions, and general care and attention. **CLAIMS FOR ANY REASON MUST BE MADE WITHIN 10 DAYS FROM RECEIPT OF SHIPMENT.** Proof may be required. Returns and exchanges must be made within 5 days after material pickup. Plant materials must be in good condition and must not have been planted. Returns on Buxus (boxwood) strictly prohibited. Returns and exchanges are subject to inspection and a 10% re-stocking fee.

Cancellations:

Fees may apply for full or partially cancelled orders. Cancellations will amass a 10% re-stocking fee if any special-order items or plant material are specifically dug for you, or if materials are cancelled after being pulled for pickup. Re-stocking fees must be paid at the time of cancellation or before any additional orders are pulled. Substantial cancellations may affect future orders.

Order Pick-Up:

All order pickups must be made during normal business hours for the Wholesale Department. Materials being placed on account must be signed for. Please allow ample time to load prior to closing. We will not be held responsible for the condition of any material dug for pick-up if it is not picked up within 5 days after notification the plant material is ready. After 5 days, field materials are subject to a \$.40 per plant, per day fee until the materials are picked up, unless other arrangements have been agreed upon with NBN. Any plant materials unclaimed by scheduled pick-up date will be subject to a re-stocking fee of 10% of the value of the order.

Holding Fees:

Ready orders must be picked up in a timely manner. For pickups, please notify us at least 24 hours before pickup to allow us time to pull orders. Once a pickup has been scheduled and an order is pulled, if all or part of the order is not picked up at the scheduled time, holding fees may apply. You must contact us in advance if you are unable to pick up an order on the scheduled date. Pulled orders not picked up after 5 business days will be returned to the growing area and a 10% re-stocking fee will be assessed. Re-stocking fees must be paid before any additional orders are pulled. Substantial delayed pickups may affect future orders.

For orders containing future-crop materials, North Branch will notify when materials become available. Once all crops on order are ready, materials must be picked up within 7 days after notification, unless other arrangements are made. Materials not picked up within 7 days may be subject to holding fees. Materials not picked up after 14 days will be automatically cancelled and re-stocked. Holding fees must be paid before any additional orders are pulled.

Loading and Tarping:

NBN will assist in safely loading your purchases. **No materials are to be loaded without a Wholesale team member, no exceptions.** Customers must provide tarps and rope. Tarps are available for purchase in the Wholesale Office.

Deliveries:

Delivery is offered for an additional cost. No discounts apply to delivery surcharges.
